

About Us

The LaSalle Minor Soccer Association Inc. (LMSA) is a not-for-profit organization managed by a volunteer Board of Directors.

LMSA was established in 1986 by a mostly Italian Canadian membership motivated by their love and passion for the game they grew up playing. The passion for soccer has continued to grow the LMSA into one of the most passionate clubs on the island of Montreal with a peak membership of approximately 2400 players in 2007. Today, with the present climate of the game of soccer, our membership is at approximately 1500 members.
